Dear Michael Schumacher and the HRH Team,

On behalf of all of us here at Habitat for Humanity of Greater Portland, thank you for your generous donation of \$1,000 through the Hits for Humanity program, for helping us raise \$7,780 through the Sea Dogs parking and for your constant support. HRH of Northern New England has been and continues to be one of our most valued partners. Your commitment to the community is inspiring and your efforts to help us provide affordable housing in the greater Portland area gives us great encouragement.

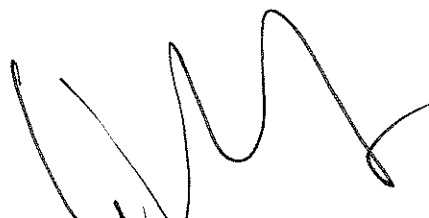

This fall Habitat is buzzing with activity, as volunteers lend a hand clearing lots for two homes, preparing to frame another home and helping staff members in the ReStore. The Bosarge Family is gearing up to move into our second house in Cumberland and work is well underway at Hartford Avenue in Falmouth. Planning has already begun on projects for 2007 including a Lowe's Women Build. As you can see the excitement is building throughout greater Portland! Without your support, we would not be able to report these great successes.

Thank you for your support, ideas, and partnership- the Habitat for Humanity community is enriched by your involvement.

In partnership,

Stephen L. Bolton  
Executive Director

Leigh Ann Tully  
Volunteer Manager
