HRH of Northern New England  
Dennis Lundgren  
31 Court St.  
Auburn, ME 04212-0040

Dear Mr. Lundgren,

On behalf of all of us here at Habitat for Humanity of Greater Portland, thank you once again for the generous donation of your parking lot on Congress St. in Portland for Habitat for Humanity's Sea Dogs parking program. Without the commitment of community members like you, we would struggle to achieve our mission of providing safe, decent, and affordable housing to the Greater Portland community.

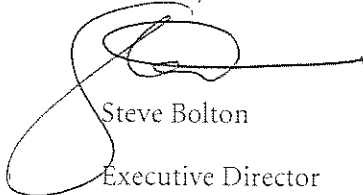

For the past two years, the use of the HRH parking lot for our Sea Dog's parking program has grossed over \$9,000 to benefit Habitat for Humanity's Youth United Program. Our Youth United program is an initiative that invites youth ages 5-25 to be involved in the fund raising and building process of Habitat homes. Our first Youth United house was completed this past spring and every dollar collected in your parking lot this year will go directly towards the construction of our next Youth United home.

With the help of partners like you, Habitat for Humanity of Greater Portland has built 45 homes in partnership with local families. We invite people from all walks of life to work together in partnership to help build houses with families in need. Since 1976, Habitat for Humanity has built over 200,000 houses around the world.

Thank you for the encouragement you give us. Although you received no goods or services in connection with your gift, we hope you felt great satisfaction in assisting the work of Habitat.

We look forward to another successful year in 2008 if you are able to make this generous donation again. If you have any concerns or suggestions for the future, please feel free to contact our office at 207-772-2151.

Sincerely,

Steve Bolton  
Executive Director
